BRAVO COMPANY 1-18 IN, TF 1-77AR
DISCOVERS A CACHE IN TA'MEEM

Each cache that is found takes weapons out of the hands of terrorists. Finding these caches is directly responsible for saving the lives of CF and Iraqi Forces. A B/1-18 IN (TF 1-77) dismounted patrol discovered this weapons cache during a raid in Ta'meem. The cache consisted of multiple RPG rounds and launchers, frag grenades, rockets, mortar rounds, mines and a couple of hundred rounds of small arms ammunition. Along with the ordnance, mortar sights, 9V batteries, a battery pack with an electric doorbell attached, RCA jacks and me cal timers were found in the Cache
